

FRIDAY FLYER

4th October 2019

MPA Moment of the week:

Good Deed Number 5

The children enjoyed reading a book to a younger child.

What's happening next week:

FLUTTER RETURNS!

Wednesday 9th

New Reception Open Morning for Sept 2020-2021 @ 9.30am

Home Learning Due Date for Year 1- 6

Friday 11th

Maths Problem Solving Session for Parents and Children 9.15am -10.15am.

Parents to sign in via the office.

Messages from staff:

Toy Take Away

Thank you to all the families that supported this good deed. The House Team Leaders were exceptional setting this up and supporting the children with selecting a toy to take home and hopefully treasure. The East Anglian Daily Times wanted to cover this story so look out for an online article with videos from our Year Six pupils.

Home Learning (Year 1 – 6)

All children are expected to return their home learning by **Wednesday 9th October**. This has been communicated with you at the start of the term. If you are unsure of the task then look at the letter on the website or speak to the class teacher. We are expecting 100% return.

Problem Solving Parent Share.

Parents are invited to come and learn alongside their children on **Friday 11th October**. The focus will be problem solving in maths. The session will start with developing age appropriate arithmetic skills. The teachers will then present a problem that the children will work with you to solve using the appropriate calculation methods. This is a practical learning experience for your child and you. We cannot have younger siblings at this event as there will not be enough space in the classrooms. Reasoning skills is a key priority for the school this year.

Website

We are working to improve our website and make this more user friendly. If you have not seen this lately then please have a look. All communication from school is saved there so if you ever miss anything that is the first place to look.

Aldi

Thank you to all the families that have supported our school with the ALDI vouchers. We have approximately 50 more to complete this and be in with a chance of winning £20,000 for our school. The deadline is approaching so please ensure you ask family and friends to help us.

UPCOMING DATES

w/b 14th October
