

MPA Parent Council

21.3.19 2019

Agenda Item	Actions	Feedback.
Review minutes from last time	Feedback on previous minutes.	Actions followed up. Still work to do with PE kits.
Reports	February Report	Parent Council said that the feedback had been very positive. Parents and children know what needs to be the focus in their learning. Also having the chance to talk through ways to support in parents evening has helped.
Special Person Lunch	We have received two emails asking if we will be hosting a special lunch near Father's Day.	We discussed this and agreed that we would this year. Next year we would plan one lunch in between mothers and father's day.
Vision for the school	How do we best engage our parents to gather views for the future of MPA?	We agreed to have two parent's meetings. One in the school day and one in the evening. It's important that we felt the view of all stakeholders when planning forwards.
Reception Parent 2 positives one development point.	<ol style="list-style-type: none"> 1. Forest School offsite is great and the children and parents are really enthused using the new area. It feels like a real adventure. 2. Loved world book day and the opportunity to dress up. Next time could the children choose as parents did not know the author. We discussed we do it this way so that we promote the love of books and authors. Otherwise it would be dress up day. Also in the class the children have studied these books. One parent had asked how to access the behaviour policy. 	Follow up on website.
Year 1 Parents	<ol style="list-style-type: none"> 1. Like the invite for the Wonderwall. Makes it personal for the children. 2. Would there be a father's day lunch? 3. When will the children swim? 	Next year the KS2 children will swim for a term. We cannot afford to include all children at this point but would plan to do so in the future.
Holly Blues 2 positives and one development point.	<ol style="list-style-type: none"> 1. The reports were really personal and parents feel that the teacher really knows the children. 2. Really like the idea of the children reading to Bella the dog. Parents and children really enjoyed World Book Day. 	

	3. Children are not going home with all their uniform after PE. Can this be looked into please?	
Year 3 2 positives and one development point	<ol style="list-style-type: none"> 1. Great events that the children and families are enjoying pancakes, movie night, World Book day. 2. Friday Flyer is really useful. 3. Good to be green - how do the rewards work? Concerns over the rewards. Reward chart / passport was shared with the parent council so they were clear. 4. Parents feedback that some children were not looking as smart. 5. Issue raised regarding selection of children for football matches. 	HT said if any parents were unsure about the rewards then talk to the class teachers first. HT has lots of information if parents wanted a meeting about the positive behaviour approach. EC will address uniform issue on HT monthly but this is a parenting issue to ensure children are wearing uniform.
Year 4	No parent Council rep today	
Year 5	<ol style="list-style-type: none"> 1. Reports were very personal and shows clearly that the teacher knows the children well. Parent consultations were very useful and parents feel very well informed. 2. Children are having many real life opportunities and this is preparing them for the future e.g. working at flutter buys, Junior Road Safety officers. 3. 	Parents not giving feedback to Parent Council Rep.
Year 6	<ol style="list-style-type: none"> 1. Reports were very personal and clear for parents and children to see next steps.
