

MPA Parent Council

27.6.19

Agenda Item	Actions	Feedback.
Review minutes from last time	All agreed and discussed. Swimming would work out at £26.40 per pupil and parent council did not think we should move forwards with this.	
Parent Questionnaire	End of term parent questionnaire to see views of parents. Personalise it to reflect certain aspects of MPA. What is the best way to do this?	Survey box in the foyer so responses can be private if required.
How does parent council work moving forwards?	Parent Council Representatives have been volunteers that have approached the school. Should we do a ballot? Would this be fairer. Should this be class? Rather than year groups?	Miss Churchman to ask parents to volunteer.
Start of the school day?	Does this work for parents and children?	Parents agreed that the start of the day works well and would not like changes to be made. Some children need time in the morning so they are ready to learn.
<u>Reception Parents</u> 2 positives one development point.	Positives: Reading café, special person lunch, Flutter and the marvellous middle have all been great this term. Development point: Reception parents were not given enough notice that their children would need house coloured t shirts for the Sports Day. Please can more notice be given in the future?	Thank you for the comments. Miss Churchman has spoken to Miss Elsdon and parents of new reception children will be told much earlier.
<u>Year 1 Parents</u> 2 positives one development point.	Positives: Reading café, special person lunch, Flutter and the marvellous middle have all been great this term. Development point: Nothing to develop	Miss Churchman was delighted that the Y1 parents are so happy with school. Thank you it means a lot to the staff.
<u>Year 2 Parents</u> 2 positives and one development point.	Positives: Reading café is great. Special Person Lunch was good. Miss Hudson has been a great teacher and the parents are really happy. They	

	<p>like the opportunities provided to learn with their children.</p> <p>Development points: Soap in the girls toilet.</p> <p>What is the forwards and backwards lunch?</p> <p>The number of children in Adonis Blue Class next year.</p>	<p>This is not an issue for Parent Council, if there is a day to day issue then this should be dealt with directly with Mr Francis or another member of staff.</p> <p>Miss Churchman to address this in HT monthly</p> <p>This school has a PAN of 20 for each year group. There are currently 34 children allocated to the class. However, this class will be taught over two teaching spaces and has a very experienced HLTA who is qualified to teach classes of children. Miss Churchman will not go over 34 children.</p>
<p>Year 3 Parents 2 positives and one development point</p>	<p>Positives: Reading café School trips have been well received. Movie nights are popular with the children and staff. Poo workshop was great and the children loved this. The experiences that the children are having are great!</p> <p>Development Point: Could the dated be added to the menus as its confusing to know which week is week.</p> <p>A small number of parents are not parking responsibly and this is causing issues for families who walk to school crossing safely.</p> <p>Can it be organised that when there are events that this is done by having a table in the playground and not by people approaching parents as some find this uncomfortable.</p> <p>Why is there a big reward for attendance is this fair?</p>	<p>Miss Churchman will feedback to the office and Carol and make changes for September.</p> <p>Miss Churchman to address this in HT monthly and Mr Francis and JRO to monitor.</p> <p>Miss Churchman will ask for this to happen from now on.</p> <p>Miss Churchman believes that attendance is important. All children completing a review for the end of the year. Miss Churchman will share these next meeting.</p>

Year 4 Parents 2 positives and one development point	No rep today	
Year 5 Parents 2 positives and one development point	Development point: Can there be clarity over forwards and backwards lunches? As lunchtime does not seem fair.	Explained in meeting but will address via HT monthly.
Year 6 Parents 2 positives and one development point	No rep present	
Date of next meeting	Will agree once Parent Council have been established for next year.
