Wild Cats Girls Football

Dear Parents,

We are delighted that we will be working with Ipswich Town Football Club this year and offering lots of opportunities for our pupils and families.

The first event that we are running is a "Wild Cats" girls football taster session on **Friday 4 October**. This will take place at school between 2.00pm and 3.00pm on the school field. This is a great opportunity for the girls to see if they enjoy football and want to develop their skills. The sessions will be delivered by a Football Association Coach.

We are hoping to run this club every week starting in January 2020. This trial is so see if the girls enjoy the training and want to form our own MPA Wild Cats Team. It also allows Ipswich Town to talent spot for their academy. The team will get the opportunity to play at Portman Road in the summer term against other Wild Cats Teams from across Suffolk.

If your daughter is interested, then please sign the form below and return to school by **Wednesday 2 October**. The age range is from five to twelve years old.

They will need to have their PE kit, shin pads and trainers or football boots if they have them. **Please do not purchase boots just for the trial.** They will also need a water bottle.

There will be a maximum of 20 girls able to train as part of the Wild Cats team in January.

Kind regards,

Miss E Churchman
