Dear Parents

I am one of the partners of the Ipswich School of Dancing and a Fellow of the Imperial Society of Teachers of Dancing and National Association of Teachers of Dancing.

I am a Professional Ballroom and Latin dancer and regularly teach both children and adults. Having danced for many years, I am eager to encourage the next generation of children to take up dancing and keep active.

Dance Kidz is designed exclusively for kids (ages 4-12). Dance Kidz classes are rockin', high-energy fitness-sessions packed with specially choreographed, kid-friendly routines and all the music kids love; hip-hop, pop, Latin rhythms and more. Parents will love Dance Kidz because of the effect it has on children: increasing their focus and self-confidence, boosting metabolism and enhancing coordination, memory and creativity.

I have designed a course for after-school classes that will run for around ten weeks throughout a term, starting from Thursday 9 January 2020, 3.15pm to 4.15pm.

Places would need to be booked in advance so that a register can be taken. The cost for the 10 week course would be £30 per child.

I would welcome any child from reception to Year 6. During the class itself, the pupils will warm up, learn new dances and choreography each week, and have mini competitions and games. At the end of term, we would like to be able to present what the children have learnt by welcoming parents, the other pupils and teachers to watch the children perform.

I hope that this has given you an idea of what we would like to introduce to your school and look forward to hearing from you very soon! **Please contact me on 07904914111 or via email info@ipswichdance.co.uk to secure a place for your child.**

Warm regards

Emma Hawley
