Review minutes from last time	<p>There is now an adult on the door in the mornings for Holly Blue Class.</p> <p>There have been no issues with soap since the last meeting.</p>	
Feedback from HT question	<p>1. Is the school approachable? All parent council members reported back that the school is very approachable. The parents like the fact that the Head Teacher greets families in the mornings.</p> <p>Parents in Adonis Blue Class did report that for working parents who are not at the school often it can be hard to make contact with the teacher since emails are not shared.</p> <p>2. Home learning? Parents are generally happy with the home learning options that the school provides. Some parents would like a focus on spellings.</p>	<p>Parents can always email the office and these will then be forwarded to the class teacher. The teachers will then make contact.</p> <p>Y2 parents wanted to ensure children would be ready for SAT's. There is a parent meeting in Spring Term.</p>
<p>Reception 2 positives one development point.</p>	<p>Positives: Friday Flyer is really positive and informs parents well. There have also been many opportunities for parents to attend workshops. Parents/children are loving the opportunity to cook.</p> <p>Development points: Could the school produce an overview of communication for the application pack. Then parents would</p>	

	be really clear from the start on how to access information.

Could classes introduce a worry box?</p>
