### Messages from Staff:

#### Suffolk Young Poets Competition

Suffolk Young Poets Competition is open to all young people up to 18. The closing date for entries is Friday 14 February. Further details are on the noticeboard in the playground.

#### Good to be Green

This week we are launching whole school reward time. This is a reward for the children who have been green all week. It will also include those children who have made a significant change to their conduct in school. We have discussed this with the children and they are very much in support of this. To be clear, if a child has had a consequence in the week they will not be receive reward time. They will instead complete a reflection sheet, which will enable them to take responsibility and work towards an improved week next week. Individual and class rewards will remain the same.

#### Class Teacher For Adonis Blue Class

We would like to welcome Miss Fletcher to our school as the class teacher for Adonis Blue Class. Miss Fletcher will be with us until we recruit a permanent teacher for the class. I am sure you will make her feel welcome.

#### Girls Football Match

On Friday 24th January the girls football team played their first friendly of the season against Birchwood. They were a little timid to begin with as they had not played together as a team. However, their confidence grew and they started to pass the ball to each other. The final score was 8 - 1 to Birchwood but we were really proud of the girls and their sportsmanship. Thank you to the parents that supported the team.
