

# FRIDAY FLYER

## 20 March 2020

## UPCOMING DATES

### Moment of the Week:

On Wednesday our Eco Schools and JRSO's held a fantastic "Beep Beep!" Day assembly. They primarily focused on how to stay safe on the roads. They spoke to all pupils about the importance of holding hands when near roads and not running, wearing a protective helmet when cycling or scooting and the importance of reflective clothing. They also learnt how parents can make them safe by getting out of the car pavement side and not into the road and wearing seatbelts.

#### Message from Miss Fletcher

Adonis Blues have had a fabulous term. We have all really enjoyed the Predator Topic. The children have been learning about owls, dolphins, birds of prey, snakes, insects, meerkats, skunks and many more animals. We all enjoyed the trip to the Suffolk Owl Sanctuary and the visit from Kimmy's Zoo. The children have all written some great reports, recounts and stories. We had a fantastic day writing potato stories for World Book Day. In skills the children have been learning about verbs, adverbs, collective nouns, pronouns, adjectives, apostrophes and, handwriting and no-nonsense spellings. We have all really liked reading the BFG and we have looked at themes such as dreams, wigglish words, bullying, character descriptions and human rights. Adonis Blues have also learnt about their emotions, keeping calm, kindness, being brave and doing meditations. We have done owl art, Kimmy's Zoo water colours and have drawn ecosystems. I have had a wonderful time at Martlesham Primary Academy and have really enjoyed teaching all of years 3 & 4. I hope everyone stays safe and I will always cherish my time with Adonis Blues. Miss Fletcher
