2 March 2020

Dear Parents,

We are sorry if the arrangements for World Book Day (5.3.20) are not clear.

We are asking the children to decorate a potato at home. The children will then bring these to school and they will be shared with the school community. Can we also ask that the children bring in their favourite book as they will be reading these with an older child on the day.

Once the potatoes have been displayed and shared, the children will use the characters to write their own story. We hope to make these into books.

Children across the school will also have the chance to share their favourite book with an older child. In addition there will be a story time where children get to choose the story they would like to hear with a member of staff.

We have arranged things differently this year due to parent feedback last year, when parents did not like the significant authors and were concerned over costs of costumes.

We hope the arrangements are now clear.

Many thanks

Miss Churchman
