

Home Learning for Holly Blues, Week Commencing 4th May 2020

Please be aware that there is no expectation that all of the listed activities are completed. They are suggestions of things that the children can choose to complete when they, and you, are able to; we know that all children have different interests! It has been lovely to speak to a number of you over the past week and hear about how you have been getting on. You are all doing a wonderful job in the current, uncertain circumstances!
