

Home Learning for Small Blue Week Commencing 18th May 2020

Dear Parents,

I am really pleased to see you all enjoyed the Forest School Craft video and a big thank you for all your amazing videos and photos on Tapestry. Remember if you need anything then please email me via the school office.

Subject	Task	Resources to Support
Maths	Please see the Whiterose website for activities to complete. This week is Summer term, week 5.	Whiterose resources: https://whiterosemaths.com/homelearning/early-years/
Subject	Task	Resources to Support
Reading	This week key text is "Superworm" by Julia Donaldson.	Link to the key text: https://www.youtube.com/watch?v=4pZwNie69n8
Writing	This week we are going to be writing fact files about super mini beasts. You can have a go at writing facts about "Superworm" or challenge yourself to write about a different minibeast like brilliant bees, maybe you could use your knowledge from last week and write about a super spider.	Facts about worms: https://www.youtube.com/watch?v=l-zc_1vjLnl Facts about bees: https://www.youtube.com/watch?v=ta154f5Rp5Y

Subject	Task	Resources to Support
Phonics	<p>Since we began home learning we have covered all of the phonemes in phase 3. It is important that we know children are really secure in this phase before we move them onto the next.</p> <p>It is common for children to be able to remember the phonemes in isolation but be unable to spot them in words or text or apply them independently.</p> <p>For this reason, we are going to be recapping phase 3 again over the coming weeks, with a greater emphasis on being able to identify and apply their phoneme grapheme correspondence.</p>	<p>Phonics power point- each day has 4 slides to do.</p> <p>A link to an alphabet song we often watch: https://www.youtube.com/watch?v=jPVbJ-laHlw https://www.youtube.com/watch?v=KY2MlhoCxIQ</p> <p>Lots of the phonics games we use at school can be accessed for free: https://www.phonicsplay.co.uk/</p>
Theme	<p>This week we are learning about worms, watch the clip about earthworms and see how many amazing facts you can remember about them.</p> <p>You can go on a worm hunt in your garden or have a go at building your own wormery.</p>	<p>Link to YouTube clip: https://www.youtube.com/watch?v=l-zc_1vjLnI</p> <p>Instructions for building a wormery: https://schoolgardening.rhs.org.uk/Resources/Activity/Mini-wormery</p>

Subject	Task	Resources to Support
Rest and Relaxation	<p>Have a go at setting up and playing with one of the tuff tray activities sent out on Tapestry.</p> <p>Complete the Forest School craft for the week.</p> <p>Play a card game</p> <p>Can you build a reading den and enjoy your favourite book?</p> <p>Can you recreate image of the week and share it with us? We would love to see these.</p> <p>For more nature engagement why not spend some time looking at the webcam on the wildlife trust website.</p>	<p>Some great free online maths games: https://www.topmarks.co.uk/maths-games/5-7-years/counting</p> <p>Online yoga - www.cosmickids.com</p> <p>Wildlife webcams: https://www.wildlifetrusts.org/webcams</p>
