

Head Teacher

Miss Emma Churchman

Thursday 7 May 2020

Dear Families,

I wanted to start off with a big thank you for the feedback that we received from the parent council. It really lifted our spirits to hear the positive statements that were returned. We are glad that you feel supported by us during the lockdown. Thank you to our parent councillors for your time on this issue. I will share the feedback on the website next week.

In our phone calls home to parents this week, many of you have asked when the school will reopen. We are expecting an update from the Government this week that will outline a plan. When we do open, we will ensure the safety and well-being of everyone in the building is our priority and will be applying robust social distancing measures. As soon as I know more I will of course share this with you.

Thank you for the photos that have been emailed or tweeted for our "**Image of the week!**" they have been really creative and the children have looked so happy. We will share the image for next week on **Monday**. There is no pressure to do this, it is an option for you and your family to do together if you wish. Thank you also for the number of parents who are using Twitter to share home learning tasks.

A member of staff and their family have created an MPA quiz for our families to do together at home if they would like. It's aimed to be fun and something for you to do as a family. It will be added to the website shortly. So keep an eye out for it. We hope you enjoy!

We have had no bookings for childcare for the May half term week (wb 25th May) so the school will be closed for this period.

As we approach the bank holiday weekend I hope that you and your family will be able to enjoy some time together. If you are having a driveway celebration for VE day, then please do this safely.

Warm Wishes

Miss E Churchman
