

## Home Learning for Small Blue Week Commencing 1 June 2020

Dear Parents,

I am hope you all had a restful and relaxing half term and were able to get out and enjoy the sunshine.

Subject	Task	Resources to Support
<b>Maths</b>	Please see the Whiterose website for activities to complete. This week is Summer term, week 6.	Whiterose resources: <a href="https://whiterosemaths.com/homelearning/early-years/">https://whiterosemaths.com/homelearning/early-years/</a>
<b>Reading</b>	This week key text is "The Snail and the Whale" by Julia Donaldson. We are trying to identify rhyme this week, there are a few rhyming activities for you to have a go at.	Link to the key text: <a href="https://www.youtube.com/watch?v=x887mPO9X9c">https://www.youtube.com/watch?v=x887mPO9X9c</a>  Other rhyming activities: A sentence building activity <a href="https://www.twinkl.co.uk/resource/t-t-253807-magic-rhyme-matching-cards">https://www.twinkl.co.uk/resource/t-t-253807-magic-rhyme-matching-cards</a>  A phonics play game <a href="https://new.phonicsplay.co.uk/resources/phase/1/cake-bake">https://new.phonicsplay.co.uk/resources/phase/1/cake-bake</a>

Subject	Task	Resources to Support
<b>Writing</b>	<p>This week we are going to be imagining we are like the snail in the story and we have “itchy feet” that are itching to explore the world. You need to think about where in the world you would want to visit and why.</p>	<p>A game linked to exploring the world  <a href="https://www.bbc.co.uk/bitesize/topics/zvzd8xs/articles/z6vyf4j">https://www.bbc.co.uk/bitesize/topics/zvzd8xs/articles/z6vyf4j</a></p>
<b>Phonics</b>	<p>Since we began home learning we have covered all of the phonemes in phase 3. It is important that we know children are really secure in this phase before we move them onto the next.</p> <p>It is common for children to be able to remember the phonemes in isolation but be unable to spot them in words or text or apply them independently.</p> <p>For this reason, we are going to be recapping phase 3 again over the coming weeks, with a greater emphasis on being able to identify and apply their phoneme grapheme correspondence.</p>	<p>Phonics power point- each day has 4 slides to do.</p> <p>Resources on the BBC Bitesize website to support phonics  <a href="https://www.bbc.co.uk/bitesize/topics/zvq9bdm">https://www.bbc.co.uk/bitesize/topics/zvq9bdm</a></p> <p>Lots of the phonics games we use at school can be accessed for free:  <a href="https://www.phonicsplay.co.uk/">https://www.phonicsplay.co.uk/</a></p>
<b>Theme</b>	<p>This week's activities focus on physical development and the development of fine motor skills with a snail craft activity.</p> <p>There is also a snail themed cooking activity to complete.</p>	<p>See the week 8 resources slides.</p>

Subject	Task	Resources to Support
<p><b>Rest and Relaxation</b></p>	<p>Box challenge- what can you make out of a cardboard box? Maybe you can make a vehicle to travel around the world in?</p> <p>Draw a picture and send it to a friend to make them smile, maybe a grandparent, a relative who lives far away or a friend from school.</p> <p>Find beauty- when you are out and about on your walks see if you can find things that you think are beautiful. Remember different people find different things beautiful for different reasons so have a chat with your family about why you think it is beautiful. You could take photos or draw pictures of the things that you see.</p>	<p>For inspiration about what you could make with your box type "card board box ideas for kids" into a search engine and have a look at the pictures.</p>
