

## Home Learning for Adonis Blues Week Commencing 6 July 2020

Please be aware that there is no expectation that all of the listed activities are completed. They are suggestions of things that the children can choose to complete when they, and you, are able to; we know that all children have different interests!

From the Parent Survey of Home Learning, it was mentioned that some children would like some History activities to complete so there will be some activities based on the Stone Age and Iron Age included over the next few weeks should the children wish to do these.
