Black History Month

Dear parents,

While black history is celebrated all year round, Black History Month is marked annually. It recognises and values the inspirational individuals and events that have shaped the black generation. During Black History Month, we remember and celebrate the important people from the past and also those who contribute to and help our society today. We will share this via our twitter page.

As part of our learning, we would like to ask you to complete one piece of home learning with your child. Please share any learning you do at home with us in school – it will always be celebrated. Please bring in any home learning on **Friday 30 October**, this will allow us time to quarantine work before creating a wonderful display.

Below I have listed ideas that you could complete but if you have your own ideas please feel free to continue.

Home learning ideas:

- Learn about the life of Rosa Parks, Harriet Tubman or Martin Luther-King.
- Find out about the Empire Windrush in 1948.
- Find out about Jessie Owens and how he made history.
- Create an Ainsley Harriott inspired meal.
- Create a piece of art which reflects Jean Michel Basquiat's style.
- Watch the video attached. This tells you about famous black individuals through video: <https://www.youtube.com/watch?v=npLgvYFx32g>

If you have any questions regarding this, please contact me via the school office. Thank you for your continued support.

Many thanks

Miss Markham
History lead
