

FRIDAY FLYER

6 November 2020

Next Week

Moment of the Week:

Adonis Blues Marvellous Middle

This week we made chocolate lava cakes. The children worked in pairs to carefully weigh the ingredients and mix these to the right consistency. After baking them, we took them home to enjoy or had them soon after they were cool enough to eat. The oozing chocolate centre represented the lava held within a volcano. The children smiled throughout and enjoyed baking.

Dinner Menu Week 2

Messages from Staff:

Silver Studded Blues Marvellous Middle

The children started their half term with some Tudor dancing! They learnt how to do the Pavan, which is the royal walk. The children imagined they were dancing in the countryside and completed a group dance. They enjoyed learning about how the Tudors entertained themselves without having electronics!

Holly Blues Marvellous Middle

The children in Holly Blues got to hold and explore real fossils. They discovered teeth and bone! Afterwards they mixed salt dough and created their very own dinosaur fossils. These were exceptional and very detailed.

Small Blues Marvellous Middle

The children in Small Blues have been introduced to the main character from their next key text. Every child has made a salt dough gingerbread man, let's hope he doesn't run away like the one in the story!

Plant to Plate

We collected over 1000 tokens for the Plant to Plate campaign and will receive a £100 gardening pack for our school Spring 2021. Thank you for your continued support. We will use these to grow our own produce in the EYFS area.

Parent Council

The postponed Parent Council Zoom meeting will now take place on Friday 13 November at 1.45pm. The purpose of this meeting is communication between parents and the school. We celebrate what is going well and identify one area that could be improved for each year group.

Teacher / Parent Communication

Please where possible can we ask parents communicate to the teacher via email/ phone. If there is something you urgently need to talk to the teacher about then please wait in the parent waiting zone at the end of the day. When the teacher has released the children, they will come and talk to you. We know this is not the preferred methods of communication, but we must prioritise the safety of the school community in the current pandemic. Thank you for your continued support.

Masks / Face Coverings

Thank you for wearing face coverings when coming onto the school playground. We really value your support.

Complaints from the Community

We have received a number of complaints from our neighbours regarding inconsiderate parking and mis-use of private driveways and neighbouring private roads. This is an ongoing issue and we have regularly sent reminders. In particular, please do not use the private road by the garages alongside the school playground.
