

# FRIDAY FLYER

15 January 2021

## Next Week

### Moment of the Week:

This week at home and in school, Holly Blues investigated different substances, which included soap, fairy liquid and even bath bombs! They explored what happened when these substances were mixed with water. They investigated which substances made the biggest and smallest bubbles and had lots of fun.

### Monday 18 January

Small Blues Story Time @ 2.00pm

### Thursday 21 January

KS2 Head Teacher Surgery at 1.30pm

Parents to return House Points to teachers.

### Friday 22 January

Head Teacher Assembly @10.00am

### Class Interaction

#### Sessions

**Adonis Blues @ 2.00pm Tuesdays**

**Holly Blues @ 1.15pm Wednesdays**

**Silver Studded Blues @11.30am Wednesdays**

### Messages from Staff:

#### Times Table Champions

Our champions for this week for the PIXL Times Tables are as follows:

<b>Class Champion</b>	<b>Silver Studded Blues</b>	<b>9892 points</b>
<b>Individual Champion</b>	<b>Harley (Year 5)</b>	<b>2414 points</b>

#### House Points

<b>House</b>	<b>Andromeda</b>	<b>Orion</b>	<b>Pegasus</b>	<b>Phoenix</b>
<b>Points</b>	<b>164</b>	<b>152</b>	<b>164</b>	<b>161</b>

#### Ventilation

For those children who are attending school as their parents are critical workers please note the school is very well ventilated. Good ventilation reduces the risk of COVID19. So, your child may say they are cold when in school. Please add an additional layer if your child does feel the cold as we will be keeping windows open during the winter months.

#### Twitter

We are an active school on Twitter and this is a great platform to celebrate what we do at MPA. It would be wonderful to see you share your remote learning experiences with the Twitter community. To do this, take a picture of your achievements and tag us using [@martleshampri](https://twitter.com/martleshampri). Remote Learning and juggling the running of a family and your own work is not easy! So, when you are winning please share those moments and let us all say a big well done! This week it has been great to see children completing the house challenges.

#### Class Interactions

We can see from the feedback of the children and their parents that the children are missing each other. So, we have decided to start a class communication session. The purpose of this is for the children to see each other in a fun way. The teachers will organise fun activities for the children to enjoy together. You will receive a letter from Miss Churchman outlining the "live" sessions we are offering for our children and the purpose.

#### Head Teacher Surgery

This week we held a Head Teacher surgery for the parents in Small Blue and Holly Blue Class and no parents attended the Zoom. We will run another Head Teacher surgery for families on Thursday 21 January. 1.30pm will be for parents in Adonis Blue class and 2.00pm will be for families in Silver Studded Blue class. We hope that you are able to attend next week. This is planned to offer any support/guidance during the National Lockdown.

#### Support From Families

We are so thankful to the families in our community who have wanted to help the school community. It is so heartwarming to know how generous and thoughtful our school community are. Thank you for caring, your donations have been so valued.
