

**Head Teacher**

Miss Emma Churchman

19 January 2021

Dear Families,

As you will know from the Remote Learning timetables on the website, the teachers are available daily to support learning at home. The aim of the teacher sessions is to support you / your child with their learning tasks and offer support, guidance, explanation and encouragement. In some classes this is working well and in other classes there is not a lot of engagement during the live teacher sessions. The teacher is available by the chat function, not live on camera. We encourage our families to use this time when you can. For our older children please use these slots for support with your assignments. Please do not use these sessions for general chat. We are not planning on live sessions as we cannot safeguard everyone involved in the sessions and that must be our number one priority.

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY

		11.30am Class communication time via Zoom.		11.00am to 11.30am TEAMS live chat for maths tasks.

This week we are starting a class communication session via Zoom. These sessions will be run by the teaching teams, the purpose is for the children to interact and have fun with peers. We are aware that for some children they do not enjoy being on Zoom. So please email your child's class teacher if your child will not be joining the session.

In addition to these sessions the teachers are preparing pre-recorded videos to support your child learning at home. These will be recorded when there is a tricky element to teach, or from assignments submitted there were some misconceptions. From this week, Miss Elsdon will be recording daily phonic sessions to support families.

Thank you for joining the Butterfly Book Assembly Zoom call, these are our highlight of the week. We love seeing our school community together and celebrating the learning that has taken place.

We will be sending a questionnaire to you later this week to get feedback on Remote Learning and identify what is working well and what could be improved. We know this is not easy, but we hope you know we are here to support you.

Please stay safe and we look forward to seeing you all again, when it is safe to do so.

Warm wishes

Miss E Churchman  
Head Teacher
