

# FRIDAY FLYER

## 5 February 2021

### Next Week

#### Moment of the Week:

For Children's Mental Health Week, children in Adonis Blues have created a piece of art showing their emotions in colour! They all chose 'happy' but used different colours and images in their work. They were proud to express themselves through art.

##### Remote Learning Triumphs

We are so impressed with the high-quality remote learning that is being handed in each day. We felt it was really important to share this within our school community. Each week the teaching teams pick a piece of work from each year group. They write a description which outlines why they selected this. This is then published onto the Remote Learning Triumphs overview and emailed to families each week. We hope you feel really proud when you receive these each Friday.

##### Thank You Wall

On our website we have created a community "Thankyou Wall." This provides a public forum to express thanks. We hope this creates some smiles. You can locate this in the Remote Learning tab.

##### Small Blues Forest School

As the Whole School Assembly is at 10.00 am on Thursday next week, there will be no Forest School for Small Blues next week.

##### Safer Internet Day

**Tuesday 9 February** is Safer Internet Day. To raise awareness, your child's teacher will set an assignment to complete via Teams. The focus of the day is 'Exploring reliability in the online world.'

##### Carol's Friday Feast

Carol will be offering the children a 'Friday Feast' each week. There will be a choice of either Chicken Burger, Nuggets or Fish Fingers and Chips. If you would like to order a hot meal then please do.

##### Positive Tests of COVID 19

Please ensure you inform the School Office of any COVID19 positive test results in your family. Thank you. We have a duty to report this information to the Department for Education.

##### International Pizza Day - Tuesday 8 February

Carol will be offering a selection of pizzas to the children.

##### Community Litter Pick

Our donation from Helping Hand Environmental was put into good use yesterday when our Year 5 and 6 children went out into the community and even got recognition from a local member of the community. The children really enjoyed the fresh air and helping to keep the surrounding area litter free!
