#### Friday 26 March

We invite children to wear non uniform for the last day of term. If your child would like to do this we ask for a £1 donation which we will add to the school funding pot. Many thanks in advance for your support. We will be using the money raised to purchase table tennis tables for the field.

#### Easter Menu

On Friday 26 March, Carol will be offering an Easter Bunny Picnic Menu. Please see attached Picnic Menu on offer.

#### Key Text

We will be sending next term's Key Text letter to all parents next week. This book is an important part of your child's learning. It will be used every day during their reading sessions. If you are entitled to pupil premium funding then we can order the book for you. If you would like us to do this then please email the office by Thursday 25 March.

#### Optional Parent Consolations

These took place virtually this week and enabled parents to talk to the teachers about any issues highlighted in the reports. All children will receive another report in the Summer Term and there will be another opportunity for parents to meet teachers.

#### Reading Volunteers

After Easter we are hoping it will be safe to welcome back volunteers into school. We would love to have a volunteer reader for each class. If you are interested in volunteering, please speak to Mrs Hazelton.

#### EYFS / KS1 Ball Sports Club

We will be adding a new After School Club on a Wednesday from 3.10 - 4.10 pm. This will be for EYFS/KS1 and include different ball sports. The cost is £14.00 up to May Half Term (£2.00 per session). Places are limited. Please log onto Arbor to pay and secure a place for your child.

#### Well Being Journals

We would like to be able to provide Well Being Journals for the children in KS2. We have promoted this on Twitter and we are hopeful one of the local super stores may be kind and donate the £500 required to purchase the journals. We will keep you updated and hopefully we will get a community sponsor.

#### School Library

The school library has opened this week and children will be coming home with books they have selected. In their book you will see a bookmark, and this will show the date their book needs to be returned. Mrs Wood is running the library and she's worked very hard to get this up and running. Thank you Mrs Wood. Children in Bubble 1 will visit the library every other Monday afternoon. Children in Bubble 2 will visit the library every other Thursday afternoon.
