Stunning Start

Moment of the Week

Adonis Blues have created a pop-up book based on our theme, Blue Abyss. We planned which pages we would write about, trialled different mechanisms and then went on to create our very own Blue Abyss pop-up books. What a way to celebrate our learning.

Messages from Staff:

EdShed Champions This Week:

	Spelling	Maths
Year Group Champion	Year 4	Year 5
Individual Champion	Mia-Rose (Year 4)	Verity (Year 5)

House Points

House	Andromeda	Orion	Pegasus	Phoenix
Points	1183	1258	1250	1183

Parent Council

We had a meeting last week and the feedback from parents was so positive.

The MPA team would like to thank you for your continued support, it means so much.

Red Nose Day

We hope you all enjoyed the photos which were shared with you on Wednesday. We raised £225.75.

Thank you for your generous donations.

Fabulous Finishes (This is how we showcase our learning from our themes).

Small Blues

Small Blues used what they have learnt this term to design and create vehicles. This included a bus with an ejector slide for quick emergency exits and a car with rocket boosters so it would go really fast. We were really impressed with the designs.

Holly Blues

To end our theme - Muck, Mess and Mixtures, Holly Blues created a piece of artwork that celebrated different aspects of their learning this term. They designed a picture of a town, taking inspiration from the story they have been learning about in English called Mixed. They identified human and physical features of the town, they used different art forms including painting, collage, and sketching. They used primary colours to create their own colour pallet. They displayed their families in the picture and discussed the importance of family and relationships. The children really enjoyed their Fabulous Finish, it was mucky, messy, and mixed! Holly Blues then shared their artwork with members of Small Blues and taught them about what they had learnt this term.

Adonis Blues - see Moment of the Week.

Silver Studded Blues

Silver Studded Blues have created news bulletins about different areas of their theme. They wrote the script, performed the news and then edited their videos. These will be available for you to see via the website.

House Challenges

This week, the children have enjoyed taking part in two house challenges - class caterpillar races and an Easter egg hunt for gold eggs! Extra house points were awarded to children in these events and the winners of this term's House Cup will be revealed to pupils in assembly this afternoon.

School Photos

The school photographer will be in school on Tuesday 13 April taking individual photos of the children.

Class photos will be available in June.

HAPPY EASTER

The MPA team would like to wish you all a very Happy Easter. Make sure you relax and enjoy some family time. We look forward to seeing you all on Monday 12 April.

Upcoming Dates

Summer term dates to be shared w/c 12 April
