

9 March 2021

Dear Parents,

Red Nose Day 2021

On Friday 19 March we are planning a fun day for the children as we plan Red Nose Day activities. This year we think it's important to have a good time together and raise some money for an important charity.

On Red Nose Day, we are asking all the children and staff to dress as their very own superhero. The children can dress as their favourite superhero or they can create their very own. The children could be their own house team superhero and come dressed in their house colours, they could be a reading superhero and have their favourite books, they could wear glasses and have super sight! The list of what the children could be is endless. I am mindful not all children enjoy dressing up, so if your child does not want to dress up, they can wear something red. We are not asking you to buy a costume, please use what you have at home.

The children can bring a red nose into school, but it must be named. This is to prevent it from getting lost but also to stop other children from wearing them. The noses this year are plastic so are wipeable. We will not be selling red noses at school.

School Council are busy planning activities for the children, and I know that a house team red nose and spoon race is planned so far. More details will be shared in the Friday Flyer.

If you would like your child to take part in the planned activities, we are asking families to make a cash donation. Can you please place your donation in an envelope and your child can give to their class teacher. This money will be quarantined and then counted and banked.

We are looking forward to seeing many happy faces as we enjoy this day together. After all fun is power. This changes things, it connects us, this can make the difference for the children.

Warm wishes

Miss Churchman
