

English

The children will be learning to write a story based on the Snail and the Whale. We will be writing poems based on the ocean and we will be performing these to the children in the class. We will also be writing an information text about rock pools and be using our key texts for shared reading.

Maths

We will be learning to measure length and weight, we will be learning to tell the time and we will be consolidating adding, subtracting, dividing and multiplying. We will also be learning how to solve word problems.

PSHE

This term in PSHE we will be learning how to look after the environment, including oceans and seas.

Geography

We will be learning about physical and human features. We will also be learning about the names of the oceans and the seas.

RE

This term we will be learning about Christianity and Islam.

Science

We will be performing simple tests, we will be exploring and comparing the difference between things that are living and dead. We will also be identifying a variety of plants and animals in their habitats.

Art and Design

We will be using a range of materials to design and create products. We will be drawing, painting and using sculpture to share our ideas. We will also be learning about the work of a range of artists.

PE

The children will be developing their athletic skills in preparation for sports day.

Years 1 and 2 Beach Comber
