

FRIDAY FLYER

28 May 2021

w/c 7 June

Moment of the Week.

What a week for the children taking part in the National Schools Football Week. The children were so excited to create their own teams and play football against each other. Mr Dowsing did a fantastic job organising the event this week. The children all played so well in the heats and displayed fantastic collaboration. The final was super exciting and the whole school watched RTG win the cup. The children have already asked if we can plan some more tournaments in the next half term.

Parking

Please can we remind all families you are not permitted to park on the zig zags outside of the school. Please can we all consider the residents and the members of our school community when dropping off and collecting. There is a car park at the back of the Black Tiles After School Club which we can use.

Ed Shed

We have been thrilled to see the high number of children using Ed Shed at home to support their spelling and maths this half term. There have been a number of different champions in different year groups, showing how engaging it is for all year groups. Please continue to encourage your child to use Ed Shed at home over the half term holiday!

Face Coverings

When you collect your child from an after school club can we please ask you to wear your face covering on school property. Many thanks.

Parent Council

We were delighted with the feedback from Parent Council meeting. The minutes from the meeting will be shared on the website and the Parent Notice Board. Thank you to our councillors who give up their time to meet with Miss Churchman each half term.

Attendance

Recently, our attendance has started to drop, and I would like to take this opportunity to remind families that children should be in school wherever possible. Of course, we understand if you are concerned over COVID19 symptoms then your child would stay at home. There have been some cases of children not being in school because they are tired or have a bit of a headache. Can we ask that your child is sent to school and if they are not well enough to be in school, we will contact you. I would also like to send a polite reminder to all families that holidays are not permitted during term times. If you do need to request time off school for your child, you are required to complete a special leave form in advance.

Swimming Lessons

Silver Studded Blues will be swimming every Friday afternoon next term starting Friday 11 June. Please ensure your child has a costume, towel and swimming hat in school.

Suffolk Mind

Thank you for supporting Suffolk Mind., it has been great to see the children smiling all dressed in bright colours. You will know that we prioritise children's well-being and mental health at MPA. A total of £111 has been raised.
