Silver Studded Blues Marvellous Middle

It was time to be creative whilst learning a life skill! The children created their own heart decorations using different stitches, drawing upon ideas from existing products for their designs. Everybody learnt the running and overcast stitches with many also sewing on buttons. They have all created a wonderful hanging decoration!

Adonis Blues Marvellous Middle

The children were involved in a demonstration of the digestive system! The children acted as a stomach, squeezing and churning the food, following the process until the final stage, poo!

Small Blues Marvellous Middle

Small Blues requested to learn about submarines for their marvellous middle. We spent a day being submarine engineers, first we studied photos, then we created a check list for all submarines and used this to design and build our own submersibles out of junk modelling.

Walk to School Week Activity Book Winners

The class winners for completing the Walk to School Week Activity Books are:

Small Blues - Osian, Holly Blues - Darcey and Lillyanna, Adonis Blues - Bryant, Silver Studded Blues - Lilly-Rose and Leah.

Sports Day

We will share the details with you once we have had further guidance on restrictions and when these will be lifted. In order to get your child ready for Sports day they will need a house-coloured t shirt to wear on Monday 5 July. They will wear their regular PE shorts, socks, and trainers. Your child will also need a water bottle and hat. Please apply sun cream before school. More details to follow soon.

PTA Brownies

The PTA are organising a sweet treat for someone special on Father's Day. The cost is £3.50 and will have a personal message from your child. If you would like to order a brownie tray, please speak to a member of the PTA in the playground before or after school. You will need the correct money in a named envelope. All proceeds raised go towards the plan for improving our outdoor area. The details are on the school website.

Cycling to School

Can we please ask families who are cycling to be mindful of local residents. We appreciate that with young children you would want to use the pavements. However, if pedestrians are on the pavement, please be aware of them. We have had a complaint this week about residents feeling unsafe. Can we also ask parents if you are biking home then please use the roads as the paths here are not cycle paths. We are really pleased to see families biking, but we are just asking you to consider pedestrians.

Thank you

We would just like to say a big thank to Amie Morgan for her dedication and commitment to the PTA. Amie has made the decision to step down. I am sure you will all join me in thanking her for all that she has done to raise money for the children. We will always remember the epic raffles that she worked so hard on! Thank you.

House Challenges

Congratulations to Andromeda who won the EYFS/KS1 skittles house challenge and win 20 house points for their team! KS2 will be taking part in a basketball challenge next week.
