

FRIDAY FLYER

1 April 2022

w/b 4 April

Moment of the Week:

On Wednesday children from Year 5 and 6 took part in the IPSSA Cross Country Event at The Royal Hospital School, Holbrook. This was the first time we have entered the event and we were so proud of how the pupils did. The children all placed really well, showing great sportsmanship and resilience. We are MPA and we are proud.

Messages for Parents:

House Points

House	Andromeda	Orion	Pegasus	Phoenix
Points	1305	1418	1329	1257

Postponed - Realise Futures Maths Games Workshop

The workshop which was due to take place on Monday has been re-scheduled to Monday 23 May 9.00am to 11.00am. To book a place please email the School Office.

COVID19 Update

From today the government guidance has changed. The update states anyone with a positive COVID19 test is advised to stay at home and avoid contact with other people for five days, which is when they are most infectious. For children and young people aged 18 and under, the advice is three days. We are aware there is a shortage of LFT kits and will support families as much as possible. The guidance has also changed for home learning and we are no longer legally required to provide this to children isolating. If your child is off school but well enough for home learning we recommend completing the theme linked home learning tasks and the mandatory home learning set at the start of term. There is also Ed Shed or other online learning platforms.

Home Learning

We received home learning from 82.5% of pupils this week, with the deadline being on Wednesday. This is a core piece of learning for children and we encourage families to support pupils in completing the tasks on time.

School Leadership

After the Easter Break Miss Churchman will return to MPA full time. She is really looking forward to spending the Summer Term with the children and the staff and planning lots of exciting learning opportunities for the children. Thank you to Miss Hudson for leading the school in Miss Churchman's absence.

Year 4 Forest School

Due to absence this week Forest School for Year 4 will now take place Wednesday 6 April, 27 April and 4 May.

Parent Council

The next meeting is on Thursday 7 April. This is where the class representative shares feedback from the parents in the year group. We will be sharing the feedback from the PE uniform survey and the Parent Consultation survey in the meeting. Please note each year group shares two things to celebrate and one development point.

Mr Dowsing - PE Lead

Next Friday we will say farewell to Mr Dowsing, he is leaving Inspire Suffolk to pursue a new career. He has worked hard on the PE curriculum and been very committed to MPA. The children and staff will really miss him and we wish him all the best in his new role.

Lost Property

We have a number of items in school which have accumulated over the term. We regularly ask children to check for their items and do return any named items. If you wish to look through lost property please come to the School Office. Any unclaimed items will be disposed of next Friday.

Menu Week 2

Monday
