What is parent council?	It is a positive forum to feedback to the school. This is an opportunity to discuss what is going well and identify one area to improve. This area must be from general feedback from the class. This not a forum for individual complaints to be raised. This year the parent council group will have key feedback points to the parents after each meeting which will inform the next meeting.	
Parent Questionnaire	Share results and discuss. Why was there such a low response? Is the school not approachable?	Parent council to seek views of parents in relation to this question.
Home Learning	Parent council to ask parents about the deadline for home work. We have received one letter of complaint about this. The home learning has been of really high quality and the children have been so proud.	Parent council to feedback next meeting on home learning for Y1 – 6.
