

Martlesham Primary Academy
Sports Premium Proposed Expenditure 2019 – 2020

Martlesham Primary Academy expects to receive £16,790 Sports Premium Funding

Area of Spending	What/Who?	Allocation	Reason for Spending	Expected Impact
Competitive sporting fixtures/Travel/ Sports Coach	<p>Mini bus or coach to ensure all pupils travel and arrive safely.</p> <p>Sports coach employed to support the children during fixtures.</p>	£3,000	<p>Children benefit hugely from participating in a school fixture/tournament. Children thrive on the opportunity to represent their school and we see this as the perfect opportunity to teach them the highs and lows of sport and how to demonstrate sportsmanship.</p> <p>KS2 pupils compete in the IPSA small schools league. This is competitive and develops football skills as well as collaboration.</p> <p>Joined up with FOSS schools for termly sporting events. Enabling the children to form positive relationships with feeder small schools for High Schools.</p>	<p>External MAT / FOSS competitions and fixtures – see below.</p> <p>Children build relationships with local and cluster schools.</p> <p>Children take part in competitive sports.</p>
Daily Mile	Daily running / walking for 15 minutes every day	£1,080	To encourage health and daily exercise (setting personal targets and beating them). To build own running capacity.	<p>High levels of participation and enthusiasm, including quantitative improvements.</p> <p>The distance travelled by the children increases term on term.</p>

Area of Spending	What/Who?	Allocation	Reason for Spending	Expected Impact
After School Sporting Activities	Gymnastics: Monday Multisport: Tuesday Dodgeball: Wednesday Football: Thursday	£4,560	These clubs are part funded to encourage children to develop their sporting abilities. Children have the opportunity to develop skills across a range of sports. Gymnastics is BAGA accredited enabling the children to receive awards.	Children develop sporting skills in a range of activities. Children are awarded BAGA certificates.
PE Curriculum Development	PE Coach	£3,230	A sports coach delivers the PE curriculum with the class teacher. This upskills the teaching of PE and ensures that the PE curriculum is of a high quality.	All teachers are up skilled to deliver high quality PE sessions.
Sports Equipment	Equipment for lessons Equipment for clubs Equipment for lunchtime (yoga mats, balls, cone, small goals)	£1,000	New equipment will encourage children to take ownership of property. Providing new equipment will allow Martlesham to offer a wider range of sports across the school, thus increasing the number of children participating in sport and a healthy active lifestyle. To ensure broken and inappropriate resources are replaced which in turn will prevent accidents.	Behaviour incidents to be reduced at lunchtime. Children enjoy a wide range of sporting activities throughout the school day.

Area of Spending	What/Who?	Allocation	Reason for Spending	Expected Impact
Yoga	Lunchtime Club for children to learn basic yoga and relaxation techniques	600	Supporting children with basic yoga movements to support healthy body and healthy mind.	Children are calm and practice taught techniques.
Maintenance, development, upkeep of Forest School and Training for staff	Weekly forest school sessions for the whole school	£3,400	To deliver exceptional opportunities for learning support and involve all children, including the least active children, by providing targeted activities that extend beyond the typical requirements of the national curriculum.	Observations and monitoring of pupil participation show: <ul style="list-style-type: none"> • High levels of enthusiasm and participation in physical activity. • Opportunities to develop creativity and responsible risk taking in a natural environment.
