

Here are some pictures from our
time in Small Blues.

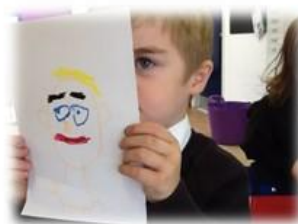

We hope they will bring back
some special memories and
make you **smile**.

From Miss Elsdon, Mrs Hall,
Humphrey and Barlow x

We have been a very creative class.

We love going to Forest School

We have been very crafty

We posted letters to Father Christmas

We even came to school in our pyjamas

Cooking with Mrs Garrod-Spall

We've had some amazing visitors

We've had some amazing visitors

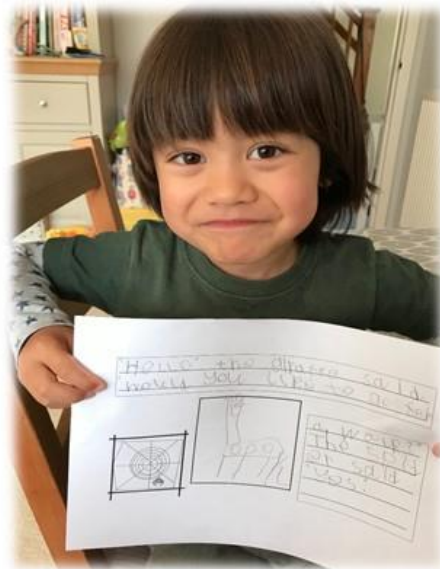

We even had visitors from space

We went to the owl sanctuary

We haven't let lock down interrupt our learning...

We are still getting
out and about

We are really sad
we can't all be
together at school.

It is really important we all
stay safe and at the
moment that means you
have to stay at home with
your families.
