Messages from Staff:

Bike to School Week

Bike to School Week is a week-long event across the UK to encourage families to cycle and scoot to school. It's a great way to celebrate the huge benefits an active school run brings. This year it takes place from 27 September to 1 October 2021. This is a great opportunity to celebrate cycling and scooting and the positive impact it has on children's health and wellbeing as well as the environment. Please support our community by cycling or scooting during this time if you can, we would love to see your pictures. Tweet them to @MartleshamPri using the hash tag #BikeToSchoolWeek. Thank you, Eco Schools Team.

School Council

School council elections are taking place next week! This is an opportunity to show leadership, responsibility and to represent your year group. Each representative will attend weekly meetings, raising issues and working collaboratively to solve them too.

Calling all Netballers in KS2!

Unfortunately, we did not have many takers for Netball Club last week so we held a aster session Wednesday lunch and we are really hoping more children will sign up! It is free and taking place Wednesdays after school. Any questions please speak to Miss Markham who is running the club. Places can be booked via Arbor.

Drama Club

We are running a drama club for KS2 and would love some more budding actors. The club will be looking at many aspects of drama including confidence and voice, performance, scripts, costumes and set. We will play games, get creative and have fun! It costs £2 per week and is taking place Thursdays after school. Any questions please speak to Mrs Dodwell who is running the club. Places are bookable on Arbor.

Small Blues Stunning Start

This week Small Blues enjoyed their Stunning Start. They shared photos of their birthday parties and then planned a surprise birthday for our class mascot Humphrey. On Wednesday we all wore our best party clothes, decorated cakes and played party games.
