

# FRIDAY FLYER

## 14 January 2022

w/b 17 January

### Moment of the Week

On Monday, Chalk Hill Blues and Silver Studded Blues dressed as evacuees for the day for their stunning start. They learnt about where evacuees came from, where they were moved to, heard stories of evacuees, listened to different sounds the children would have heard at the time, practised air-raid drills, played games with marbles, learnt about propaganda, looked at gas masks and tried some WW2-typical foods. Some children loved the corned beef and spam, and others were not so sure!

### Messages from Staff:

#### EdShed Champions This Week

	Spelling	Maths
School Champion	Cordell	Cordell
SSB Champion	Cordell	Cordell
CHB Champion	Harry	Freddie
ADB Champion	Lily	Isabella
HB Champion	Nojus	Oliver
SB Champion	Ella May	Ella May

#### House Points

House	Andromeda	Orion	Pegasus	Phoenix
Points	191	211	203	217

#### 100% Attendance

These awards are back by popular demand. We are delighted to award a bronze badge for 100% attendance for the Autumn term. 39 children have been awarded which is fantastic. Please note hospital appointments and COVID 19 related absence are not being included. If your child has not been awarded a badge for Autumn, they can work for a badge for the Spring Term.

#### Census Day

On Thursday we will be having a special Census Day lunch. The children have chosen the menu with Build a Burger (beef or vegetarian) or Hot Dogs (including vegetarian option) and Chocolate Glazed Doughnuts or Ice Cream Factory. We receive funding based on how many hot meals are served on Census Day so please support our school by ordering your child a school lunch on this day.

#### MDSA Vacancy

We are recruiting for an MDSA to support Carol and the children at lunchtimes. If you are interested in this position, please talk to Mrs Hazelton who will give you more details.

#### Small Blues Stunning Start

Small Blues wore pyjamas for their stunning start on Monday. We had hot chocolate, cooked star biscuits and designed pyjamas. We also discussed what we want to learn during this theme and came up with some interesting questions like "how do stars stay in the sky?".

#### Adonis Blues Stunning Start

Adonis Blues were resilient in their stunning start as they designed and made their own stuffed predator animal. They had to practice and learn different stitches and then apply these to their creations. We are very proud of the results, they all tried very hard!

#### House Bake-Off Challenge

The new date for the House Bake-Off Challenge is 14 February. More details will follow.

#### Small Blues SCITT Student

We would like to welcome Miss Topham to Small Blue class for Spring Term. She has completed a degree in Policing and Criminal Investigating and then found her passion for teaching. This is her second teacher training placement and she is very excited to teach in Small Blues.

#### Holly Blues SCITT Student

Mr Gooch is a teacher at Cedarwood Primary. He will be joining Holly Blues on a Tuesday, Wednesday and Friday during Spring Term to extend his experience of teaching Key Stage 1 and to further his professional development.
