

14 January 2022

Dear Parents,

Please find attached the home learning ideas for your child's theme for this term.

These two pieces of compulsory home learning will have a due date and will be expected to be handed in by this date.

This home learning can be handed in on Teams via the assignment, on Tapestry or as a physical copy in school.

Class	Due: Wednesday 9 February 2022	Due: Wednesday 30 March 2022
Small Blues (Year 1 only)	Keep a night diary for a week, draw and label the different things you notice at night. You could look at the moon and how it changes, the constellations of stars and the wildlife that visits your garden.	Design and build a space buggy. Have a look at examples on the internet and then use junk modelling materials to make a vehicle that could drive on the surface of the moon.
Holly Blues	Write a list of adjectives to describe what spiders look like and a list of verbs to describe what spiders do. Use your word lists to write six sentences about spiders. Draw a diagram of a spider and label its features.	With an adult, use the internet to research amazing minibeasts found in other parts of the world, such as the Borneo walking stick or the Goliath beetle. Make an information poster to showcase the facts and information you find.

Class	Due: Wednesday 9 February 2022	Due: Wednesday 30 March 2022
Adonis Blues	<p>Create a project glossary of scientific terms. Write a definition for each of the words listed, using a dictionary to help. Add diagrams or images, plus any other words that you learn while completing the home learning task.</p> <ul style="list-style-type: none"> • carnivore • consumer • decomposer • domestic animal • endoskeleton • exoskeleton • food chain • food web • fossil • habitat • herbivore • omnivore • predator • prey • producer • wild animal 	<p>Ichthyosaurs are an extinct group of predatory aquatic reptiles. Use your research skills to find the names of other extinct predators. Choose one that you find most interesting and create a fact file. Include a title, picture, statistics and fascinating facts.</p>
Chalk Hill Blues and Silver Studded Blues	<p>Make do and mend! Revamp old clothing or upcycle a household item and make them useful in a whole new way!</p>	<p>Find out what happened in your local area during WW2. Were any children evacuated or did your local area host evacuees?</p>

If you have any questions about the compulsory home learning, please speak to the class teacher.

Many thanks

Miss Elsdon, Miss Hudson, Mrs Pratt, Miss Markham, Miss Mitchell and Miss Scrutton
