

PTA NEWSLETTER

Hello to all our families, here is the first PTA newsletter of this school year!

MPA PTA (Parent and Teacher Association) is a small group of people who, with the help of the whole school community fund raise money for the school through fundraising events offering fun activities for the students. The money raised goes towards areas identified within the school development plan.

We would like to introduce ourselves to you all.

Mel Dodwell (Chair)

I'm mum to Jack D in Year 4 and also an LSA based in Holly Blues. I have just taken on the role of Chair and feel really excited to work with the children and the school community to raise lots of money and have lots of fun!

Claire Codling (Vice Chair)

I'm mum to Hazel in Year 2 (and active toddler Finn!). I've been a helper on the PTA since joining the school and I've just taken up the Vice Chair post. I enjoy events that have decorations or dressing up!

Sarah Oliver (Secretary)

I'm mum to Connie in Year 2 and Osian in Year 1. I've been an active member of the PTA since September 2020. I am now the PTA secretary and I'm really looking forward to raising more funds to make MPA an even better place for all our children.

Carol Kemp (Treasurer)

I'm mum to Bryant in Year 4 and also the schools Catering Manager. I'm passionate about creating fun and sociable activities for our community to enjoy whilst working hard to raise as much money as we can for our little school and children.

Jo Garrod-Spall (Committee)

I'm mum to Jack GS in Year 4. I've been an active PTA member since June 2018 and although I've had to recently step back from my role of secretary due to work commitments I am still very much part of the group and look forward to our future events.

Halloween Cinema Night

Friday 22 October

4:15pm to 6:30pm
