

FRIDAY FLYER

29 April 2022

w/b 2 May

Moment of the Week:

Holly Blues had a great day as Pirates for their stunning start of 'Land Ahoy!'. The whole class made fantastic crew mates speaking pirate most of the day. We discovered a mysterious scroll from a real pirate who gave us clues to follow and then a treasure map which led us to the forest school area where we discovered an X and got to enjoy some yummy treasure.

Stunning Starts

Alongside Holly Blues Pirate Day the other classes also had their stunning starts this week: **Small Blues** became gardeners for the day. They planted a vegetable garden with beans, sunflowers, strawberries and potatoes. It was all very exciting and we look forward to sharing the harvest with you.

Adonis Blues turned into mini scientists for their stunning start. We experimented with potions including mini volcanos, lava lamps and the children made their own creations. **Chalk Hill Blues and Silver Studded Blues** were busy designing and creating their own automata time machine toys. These are still work in progress as there are many parts to make and put together but we are very excited to see the finished products!

Library

From next week we are going to trial a new set up for library time. Instead of house teams, whole classes will visit the library. This will mean teachers can go with their class to the library to promote reading for pleasure. Next week Year 3 and Year 6 will need to bring in their library books on Wednesday.

Forest School

Year 4 have their final session on Wednesday 4 May. Year 5 will start week commencing 16 May and further details will be shared next week.

SATs Week

SATs Week for Year 6 will take place week beginning 9 May. The children have been preparing well for these tests and taking responsibility when revising in class. To support the children to settle into each day of SATs we will be offering a breakfast club. Children will be invited for breakfast at 8.15am. A letter will be issued next week.

After School Clubs

A reminder all after school clubs resume next week. There are still spaces available on Wednesday's Gymnastics, Thursday's Commercial Dance, Fridays Wildcats Girls Football and Friday's Football for Years 1 to 4. To book a place please log onto Arbor.

Parents and Carers Survey - REAch2 Academy Trust

Cathie Paine is the new Chief Executive of REAch2 Academy Trust, previously she was Deputy Chief Executive. She is very keen to understand parent and carer's views. We have shared a letter today which has more details and a link to the survey. The survey should take between 2 and 3 minutes for you to complete. It is very important to the Trust to get your views. As a school we would be very grateful if you could take the time to complete this.

Summer Term Dates

These are currently being finalised and will be shared with you next week.
