Dear Parents,

Please find attached the home learning ideas for your child's theme for this term.

These two pieces of compulsory home learning will have a due date and will be expected to be handed in by this date.

This home learning can be handed in on Teams via the assignment, on Tapestry or as a physical copy in school.

Class	Due: 25 May 2022	Due: 8 July 2022
Small Blues (Year 1 only)	Keep a food diary for a week. Keep track of how many fruit and vegetables you eat and where your food has come from.	Study a still life by a famous artist and have a go at creating your own. Use fruit, vegetables, and plants to set up a still life and then use the media of your choice to draw it.
Holly Blues	Make a pirate treasure chest using a lidded box and other recycled materials. What will you keep in your treasure chest? Bring it to school to show your class and explain how you made it.	Find and learn some pirate jokes. Practise reading them at home to perform in school and make your pirate friends laugh! Aye, that be funny!
Adonis Blues	Create a list of solids, liquids and gases found at home and how and where they are stored.	Find another story that involves potions and write a book review for it. (You could visit a library or bookshop if you don't already have one at home!).

Class	Due: 25 May 2022	Due: 8 July 2022
Chalk Hill Blues and Silver Studded Blues	Find photographs of you from a baby to the present day. Put the photographs in chronological order to create a timeline. For each photograph, add the date and write a description of how you looked, what changed have occurred, what you could do and enjoyed doing, and what you needed from the adults around you.	Create a character study for a person who is much older than you. You might like to write about an older relative, such as a grandparent or other adult that you know. Include their name, date of birth, stage of human development reached, a portrait and a character's description. After completing the character study, answer the following questions: <ul style="list-style-type: none"> - How is this person's life different from yours? - What are the advantages and disadvantages of being their age?

If you have any questions about the compulsory home learning, please speak to the class teacher.

Many thanks

Miss Elsdon, Miss Hudson, Mrs Pratt, Mr Lazarus, Miss Mitchell, and Miss Scrutton.
