

FRIDAY FLYER

16 September 2022

Next Week

Monday

Queen Elizabeth II State Funeral Bank Holiday

Tuesday

Holly Blues PE.

Wednesday

Adonis Blues PE.

Thursday

Chalk Hill Blues PE.

Small Blues Forest Schools.

Friday

Small Blues PE.

Moment of the Week:

This week Chalk Hill Blues had their Stunning Start which was a Toga Day! We learned how to wear a toga and made some Roman Accessories. When in Rome, dress as the Romans! It was a very memorable day and we are all excited to see what else we learn in this theme.

Messages from Staff:

EdShed Champions This Week

	Spelling	Maths
School Champion	Charlie D	Henry
SSB Champion	Charlie D	Fabio
CHB Champion	Ettalie	Benjamin
ADB Champion	Yota	Yota
Years 1 & 2 Champion	Nojus	Henry

Ed Shed Rewards

The children's efforts on Ed Shed are going to be rewarded in a different way going forwards. The school champion of Spelling and Maths will receive a Headteacher's certificate and the class champions will receive a Headteacher's sticker. Further to this, all children will score a point for every million which they achieve on Ed Shed during the week. These points will then be able to be exchanged for rewards of different values. School Council will be working on what these rewards will be as their first project.

House Elections

We had an exciting election on Friday where all children came together in their houses to hear their candidates' speeches and presentations. All of the Year 6 candidates had put a lot of time and effort into their speeches and were a credit to themselves and the school. We are thrilled to announce the following children as the House and Vice House Captains for this year:

	Andromeda	Orion	Pegasus	Phoenix
House Captain	Samuel	George	Freddie	Ava B
Vice House Captain	Abi and Ava T	Shayla-Marie	Oscar	Jasmine
House Points	167	146	162	138

Holly Blues

On Monday Small Blues had their Stunning Start. The children had a day full of stories to celebrate the start of their topic 'Once Upon a Time'. The children went on a character hunt, they met the Fairy Godmother, and they had a bed-time story with hot chocolate and a treat. It was a fantastic day!

Eco Council

This week our Eco council had its first meeting of the new school year. We already have identified some areas we would like to improve on and some changes we would like to make. We have begun our collection of recycling ready for gardening club and we are working towards the Green Flag Award - This is very exciting! Mrs Garrod-Spall.

Adonis Blues Guitar Lesson

On Monday afternoon, pupils in Adonis Blues had their very first guitar lesson taken by Mr Butcher from Suffolk Music Services. The lesson began with tapping out rhythms in time to the music. Next some very excited pupils were given their own guitar for the duration of the lesson. They were taught the correct way to hold a guitar and then following a video, were encouraged to gently strum using all strings. Mrs Newton and Mrs Garrod were really impressed with their efforts and all pupils are looking forward to their next lesson.

Friday 30 September

This is going to be a busy day at MPA. In the morning Year 6 will be hosting their first coffee morning for Macmillan Cancer. Families are invited to the hall to enjoy a drink and a piece of cake as we try and raise as much money as we can for this charity. We are asking for cake donations from parents. Can we ask that these are nut free and given to school on **Thursday 29 September**. In the afternoon we are holding a colour run for the children. This is to celebrate the Trust being 10 years old. All schools across REAch2 will be doing the event at the same time. Parents are invited to watch this event and support their child. This event is due to start at 1.30pm. More details to follow.

Upcoming Dates

26 September

How to Use Tapestry Guide for Reception Parents @ 2.30pm. Individual School Photos.
