Library Session - Week 1.

Wednesday

Adonis Blues PE.

Thursday

Census Day.
Chalk Hill Blues PE.
Small Blues Outdoor Learning.

Friday

Small Blues PE.
Gardening Club.

Moment of the Week:

Small Blues became MPA Detectives this week after Tom the Tiger went missing. Following a letter from the police asking for our help in the search, we made hats, badges and missing posters. We then followed the clues Burglar Bill had left to find Tom. It was a very exciting day and we enjoyed the cake Burglar Bill left to apologise.

Messages from Staff:

Celebration Assembly

Nyla-May	Small Blues	For resilience in phonics, her confidence with her sounds is really growing.
Austin	Holly Blues	For consistently using all of the Learning Powers and being such a role model to his peers.
Rose	Adonis Blues	For showing all the learning powers, especially respect.
All	Chalk Hill Blues	For a resilient response to a difficult start to the week.
Samuel	Silver Studded Blues	For his responsibility in class and always giving valuable contributions to class discussions.
Felix	Sporting Star	For showing resilience after a nervous start at Gymnastics Club.
Charlotte	Kindness Award	For her kind-hearted morning check ins.

Jack GS	School Spelling Champion	Jeremiah	School Maths Champion

House	Andromeda	Orion	Pegasus	Phoenix
Points	193	183	139	182

Chalk Hill Blues Stunning Start

On Tuesday, we went on a walk along Martlesham Creek for our stunning start. We aimed to look at the local water systems and their environments. Unfortunately, the rain made the walk extremely challenging. It was a very difficult morning but we are so proud of how resilient the children were and how they handled the situation.

Silver Studded Blues Stunning Start

We enjoyed exploring ice on Monday. We looked at how icebergs sit on salt water, tried to create our own small igloos from ice and created sticky ice using salt, whilst thinking about the science behind it. It was a great morning.

Flutterbuys School Shop

The shop opened for the second time today. As a reminder, it is open every Friday lunchtime with prices ranging from 10p to £1. We do ask that children do not bring more than £2 into school as it is a weekly event. Some children appear to be bringing all their pocket money into school and we would hate for money to be lost.

Gardening Club

Gardening Club is currently focussed on planting. For the next few weeks, we are making pots from paper mâché (flour and water - not glue) that can be planted with the seedling and naturally decompose. We will use these when we start planting at the end of the month.

Ed Shed

It has been wonderful to see so many children earning their rewards on Ed Shed. Already, two children have earned 200 million points and had a hot chocolate and cake with Miss Churchman. Ed Shed is not compulsory, but this online site does support basic skills and the children can earn some wonderful rewards.

Dates

Revised 2022-23 Term Dates (King Charles Coronation now added), 2023-24 Term Dates and Spring Term 2023 key dates have all been shared with you today. We hope you find these useful in planning your calendars and key events.

Census Day

On Thursday, we really hope parents will support the school again and encourage their child to have a hot dinner. The Catering Team will be serving a variation from the published menu. On offer will be chicken or quorn tacos with a choice of salad fillings and BBQ sauce or sausages with fresh vegetables. All will be served with curly fries and onion rings. For dessert, there will be a choice of warm waffle and ice cream, choc chip cookies or our normal offer.

PTA Meeting

Following the PTA meeting on Tuesday, there have been some changes to the committee structure and the new team have planned some exciting events for the Spring and Summer term. We are currently preparing our next newsletter and will share all the information with you shortly.

Upcoming Dates

Monday 23 January
