

"I never knew so many environmental factors went into new builds"  
Mrs Garrod-Spall

"I never knew that new houses had bug Hotels!" Aarohi

# Eco Day 2023

"I liked everything about ECO day" Hunter

## On Our Eco Journey

At MPA Eco is important  
Because planet earth is not the cleanest

Everyone keeps littering  
Pollution keeps growing  
**STOP! STOP! STOP!**

**STOP** the climate changing  
**STOP** cutting down our trees  
**STOP** killing our animals

**STOP** polluting our oceans  
We need a greener environment and  
to live in peace with nature

An Original Poem by  
The Eco Council  
at  
Marlesham Primary Academy

"Making Clay Turtles was really fun" Bella

"I like that people are enjoying the day and understanding our eco practice" Bryant
