

FRIDAY FLYER

10 March 2023

WC 13 March

Moment of the Week:

Chalk Hill Blues visited the Woodbridge Tide Mill on Tuesday as part of their Misty Mountain, Winding River theme. They learned how the Tide Mill harnesses the River Deben's power and were shown how the gears and mechanisms worked. They had lots of fun building their own mechanisms and grinding their own flour. They also explored the River Deben wildlife spotting and drawing landscapes.

FoSS Football and Netball Tournament

The Senior Football team won their first game of the year at the tournament, winning 1-0 against Bucklesham. They played admirably and with resilience in the other games, narrowly missing out on another result. Player of the tournament was Benjhie in goal who made many amazing saves against some bigger and older children. Meanwhile, the Year 6 Netball team were playing in their first ever competition and made an amazing start to the tournament winning 2-1 against Waldingfield. Their other three matches were closely contested but they were unable to secure another win. They showed great resilience in their first experience of competitive netball and we are very proud of them.

Eco Day

Today has been an amazing day in school. Mrs Garrod and the Eco Committee have worked exceptionally hard. We had a great day exploring recycling and sustainability. Taylor Wimpey came to the school and informed the children of what they do to protect the environment when building new housing developments. The children thoroughly enjoyed the fashion show and we really appreciate all your efforts supporting the children with their creations.

Norwich City Football Club Day - Thursday 16 March

A reminder that all children, except Small Blues, need to wear their PE kits on Thursday for the day of sports coaching Norwich City Football Club are providing us for free.

Red Nose Day - Friday 17 March

We have had a lot of theme days recently. We will offer the children the chance to wear non-uniform and make a donation. It will however be a regular teaching day.

Home Learning

Home learning is due Wednesday 22 March. Please take a look at our website if you need a reminder of what the children have been asked to do.

School Council Badges

The children have spoken. They would like 'Good to be Green' badges for children who have been green all year. They would also like to be rewarded with learning power badges.

Maths Morning Feedback

Thank you for the nine responses we had from the Maths Morning. It was very positive with parents commenting on how useful it was to see how the children learn and seeing the children's confidence and pride in their work. We look forward to completing events like these again in the future.
