

# FRIDAY FLYER

## 24 March 2023

WC 27 March

### Moment of the Week:

Today, Year 6 enjoyed a day of outdoor adventure at Bucklesham Primary School. The children joined with other Year 6 children from the FoSS schools and enjoyed team building activities including tag rugby, orienteering and relay games. The aim was to help the children to make new relationships before they transition to high school.

### Messages from Staff:

#### Fabulous Finishes

Thank you to all the adults who attended our Fabulous Finishes this week.

**Small Blues** enjoyed becoming experts and guiding their visitors through a range of activities. They were all very proud to share their learning. Activities ranged from making a stethoscope to writing instructions on how to clean your teeth.

**Adonis Blues** worked in small groups, creating presentations and an activity of one element of their learning from 'Rocks, Relics and Rumbles'. They enjoyed creating these and showing off their knowledge.

**Chalk Hill Blues** set up game and information stalls to teach and entertain parents about mountains and rivers. The event was well attended with parents leaving saying how much they learned and how well the children did in preparing and running their stalls.

Next week, Silver Studded Blues look forward to inviting parents in for the premiere of their documentaries, teaching all about the Frozen Kingdoms on Monday at 2.30pm. Holly Blues have invited parents at 2.30pm on Thursday and are excited to share all their learning from their theme, Bright Lights, Big City.

#### Adonis Blues Science Educational Visit

This week, the children were able to dramatically recreate an earthquake. They had a lot of fun but also understood Richter scales. This was an interactive workshop that the children really enjoyed.

#### House Challenges

Next week, the House Captains and Vice House Captains will be running an Easter themed house challenge. Each class will get to go on a hunt outside. There will be paper eggs to find and 1 golden egg. The child who finds the golden egg will earn 20 house points for their team. This could make a real difference to who wins the House Cup.

#### Friday 31 March

Friday will be a non uniform day. We usually have this as a charity day, but we feel we have asked for a lot of donations recently. So, the children and staff can enjoy wearing their own clothes to celebrate the last day of the Spring Term.

#### Gardening Club Greenhouse

As you will have seen, our green house was destroyed with the strong winds last week. We are devastated. The PTA kindly funded the purchase and as a school we have no additional money in our current budget. We are trying to get materials donated so we could make something to house all the plants that gardening club have prepared. If you know anyone that would be able to help us in anyway, this would mean so very much.

#### After School Clubs - Summer Term

We shared with you this week our after school clubs for after the Easter break. Bookings are made via Arbor. Please sign up before the end of term. If you need any assistance, please see the School Office.

#### PTA Easter Egg Competition

A reminder that all decorated eggs need to be handed in by Wednesday 29 March. A prize will be awarded for the best decorated egg per year group.
