

FRIDAY FLYER

19 May 2023

W/C 22 May

Moment of the Week:

Today Year 5 and 6 were supported in dissecting a sheep's heart for their science lesson. The purpose was to understand how a heart functions. This really required the children to show the learning power of resilience. This was a unique learning experience and we are very proud of the maturity they showed.

Secret Agent Training

The children in Year 2 have shown great responsibility and resilience with their SATs this week. They have one more assessment to do on Monday. We are very proud of them all.

Football

The children have spoken to staff about football at break and lunchtimes as it has become too competitive. So we have made some changes. Mr Overett is now overseeing the games and these now only take place between 12.30pm and 1.00pm every day. The children asked for an adult to referee so we have provided this for them.

Forest School Experience

Mrs Dodwell will be running an after-school club on a Thursday finishing at 4.15pm on 8 June, 22 June, 29 June and 6 July. The cost is £15 for the four sessions and can be booked and paid for on Arbor.
