

FRIDAY FLYER

23 June 2023

W/C 12 June

Moment of the Week:

Small Blues had a great trip on Tuesday. They visited the RNLI in Aldeburgh. The children learnt about how the charity saves people at sea and they even got to sit in a rescue boat! The children had the opportunity to ask lots of questions and watch a video showing a rescue! The children also enjoyed having a play on the beach before it started to rain!

Messages from Staff:

Celebration Assembly

Sienna	Small Blues	For always demonstrating all of the learning powers and being resilient in the mornings.
Maddie	Holly Blues	For taking responsibility for her behaviour by staying on green all week - Keep it up!
Piper	Adonis Blues	For her superb learning attitude - so aspirational!
Ettalie	Chalk Hill Blues	For aspiring choices with her descriptive vocabulary. We couldn't help but say "wow" at her descriptions.
Lucy	Silver Studded Blues	For taking responsibility in her writing.
Ollie B	Sporting Star	For always trying his hardest in PE and showing resilience when he doesn't get it first time.
Bella J	Kindness Award	For showing kindness to everybody, including visitors.
Mike	School Ed Shed Spelling Champion	
Benjamin	School Ed Shed Maths Champion

Attendance

Last week, all families where attendance is below 96% received a letter from school. We monitor attendance weekly and if there are further issues with your child's attendance then we will make contact again. If you need any support with this then please make contact with the school office in the first instance.

Diversity Week 26 - 30 June

Next week, we will be taking part in School's Diversity Week. Each day, the children will discuss a celebrity from the LGBT+ community. On Friday 30 June, the children are invited to wear rainbow colours as a celebration of who they are. They will have the opportunity to complete different activities. If you have any questions regarding schools diversity week then please speak to Miss Churchman.

Summer Fair

This year, we are doing things slightly differently and having the Summer Fair in the afternoon. This is Thursday 13 July. All children will need to be collected early please. Small Blue and Holly Blue Classes at 1.45 please and Key Stage 2 at 1.50. We thank you in advance for your support with this.

Bikeability

This week, Year 6 had their cycling proficiency course. This is to support them with their transition to high school as many will choose to cycle. It has been a great week despite the weather challenges on Tuesday. The children are confident and competent with cycling on the roads. Well done Year 6 - we are proud.

Reports

You will receive your child's short report on 3 July. This is a review of your child's progress since their main report in the Spring Term. Last year, parents commented on the report being shorter than the Spring one; this is because it's an evaluation. There is an optional parents' evening which is to talk about any issues raised in the reports. This takes place on 5 July, 3.30pm - 4.30pm.

Communications

We do our very best to communicate with you. Can we ask that all parents take notice of the Friday Flyer and use this to help them plan the following week. At the moment, we have reduced capacity in the School Office. This would really help us. Thank you in advance for your support with this issue.

Sleeping Under The Stars

Last Friday, Year 5 had the opportunity to sleep under the stars at Valley Farm in Wickham Market. This was a planned experience as this is one of the 11 Before 11 promises. It was a beautiful evening and the children and staff enjoyed a nature scavenger hunt, played games together and toasted marshmallows on a fire pit. We walked in the beautiful surroundings as the sun set. In the morning, the children woke early and we had the privilege of seeing all the horses at the stables come on from the fields ready for a day of riding lessons. The children were a real credit to the school and their families. A magical evening to treasure always.
