Moment of the Week:

In Adonis Blues Class this week, they have been carrying out investigations to learn about light and reflections. As you can see from their smiling faces it was a great learning experience for the children. They developed their scientific vocabulary, used a range of scientific skills and have gained lots more knowledge.

Messages from Staff:

Celebration Assembly

Archie	Small Blues	For taking responsibility for his learning and always challenging himself to try his absolute hardest.
Hollie	Holly Blues	For always using the 5 Learning Powers. She is a positive role-model to others in her class.
Isabella L	Adonis Blues	For her aspirational attitude and progress made.
Robyn	Chalk Hill Blues	For always engaging with class discussions and being particularly respectful during our Diversity Week topic.
Ava B-A	Silver Studded Blues	For taking responsibility and embracing a larger role in the production and shining.
Nathaniel	Sporting Star	For always showing all of the learning powers in PE, all of the time.
Maxwell	Kindness Award	For helping others and making them smile

Careers Fair

On Wednesday 19 July, Year 5 will be having a Careers Fair where they will be talking to adults about their professions. We are asking for volunteers to come and talk to us who work in the following fields: electrician, vet, pharmacist, architect, interior design, brick layer, construction, musician, pilot, car sales. The volunteers can be parents or family friends. Any help is appreciated.

FOSS Day

Due to the teacher strikes, there needs to be a slight change to arrangements. Small Blue Year 1 will be going to Nacton. Holly Blue Year 1s will be going to Waldringfield. Holly Blue Year 1 will need to wear PE Kit as they will have an activity lead by some sport coaches.

Tombola Day

Can you help us please? Thursday 6 July will be our PTA Tombola Day. If you could donate any items for the tombola then your child can wear non uniform. This could be for an adult or a child. Please ensure this is unopened and not something fresh. Eg bubble bath, make-up, biscuits, tinned food, socks.

Move up day!

On Tuesday 11 July the children will meet their new teaching teams for the next academic year. We are pleased to say we have recruited all teaching posts and we are looking forward to you and your children meeting the new members of our team.

Optional Parents Evening - Wednesday 5 July

On Monday, appointments open for parents who wish to discuss something from their child's end of term report. These appointments can be booked via Arbor from 3.30pm on Monday. The time slot for appointments is from 3.30 - 4.30pm on Wednesday 5 July.

Swimming - Chalk Hill Blues and Adonis Blues

Swimming for Year 4, 5 and 6 will be going ahead as normal next Friday 7 July even though it is also FOSS day. Please ensure they have their swimming kit.

Science Week

Science Week was a flying success! We experimented to see if there was a material better than paper to make aeroplanes from. Some classes concluded that paper was best while others found evidence that card was best. The focus of the week was to help build scientific vocabulary which we feel was achieved. Why not try your own science experiment at home using all the new vocabulary!
