#### Thank you!

What a week it has been at MPA: so much to celebrate and enjoy! From hikes, to meeting new teachers, Fabulous Finishes, KS2 production, House Bake-Off and the wonderful Summer Fair. We may be a small school but we are very proud of our offer to our children and their families. Thank you for your support it means so very much!

#### Y6 House Captain Elections

On Wednesday 19 July, the current Y5 children will get the opportunity to stand for election for House Captains. We wanted the children to start Y6 fully committed to their leadership roles. Good luck to all the candidates.

#### Olympic Experience

On Monday 17 July, all children in the school will have an 'Olympic Experience' with Nino Severino, an Olympic tennis coach. They will have a brief talk about the Olympics and get to see a 2012 Olympic torch, squad kit and memorabilia before taking part in a 'Fun and Fitness' session. **All children will need to come to school in their PE kit.**

#### Fabulous Finishes

**Small Blues** children were set a challenge of building a boat that floats. They loved working with the adults to create these using recycled materials before testing them out in the water. Thank you to all who attended.

**Holly Blues** loved performing to an audience for their Fabulous Finish. They had been learning about significant people and told the story of Florence Nightingale.

**Adonis Blues** created a video of their learning this term. We had such a large turnout of adults, the children were so proud. Thank you to all adults that came.

**Chalk Hill Blues** - It was time to get quizzical and test the skills and knowledge of Chalk Hill Blues. We tested a range of Ancient Egyptian knowledge, as well as a few challenges for good fun. Thanks to all adults who turned up and made the event what it was!

**Silver Studded Blues** put on a fantastic learning fair, covering their history, science and art learning. They enjoyed creating stalls with activities to teach others about what they have learnt. Thank you to all who attended.

#### Year 3 11 Before 11 Hike

The children walked around Martlesham, a total distance of 4 miles! They enjoyed walking through the long grass and found their ice pole halfway yummy. The children showed resilience and wore lots of smiles. Well done!

#### Move Up Morning

This week, all the children had the chance to meet their new teaching teams. It was a really successful morning that boosted the children's confidence. The new teams are really excited about next year.

#### FOSS Day

Last Friday, we hosted our first FOSS day. It was such a positive day and we loved seeing the children make new friends with other children from other small schools. We celebrated cultural diversity and all the children had wonderful learning experiences.

#### Library Books

Please can all library books be returned before the end of term.

#### Lost Property

We have a lot of uniform in the lost property box in the Office, all unnamed. Any items not collected by next Friday will be donated to the clothing bank.
