Good to be Green

As you know we have a positive behaviour approach to managing behaviour. Over the last two terms this has been our Year 6 class. This term Small Blues class have been green the most this term - all children in Small Blues have received a Play to Day voucher for their Good behaviour - Well done Small Blues!

Bake-Off

Last Friday was the bake off, 2 children per house took on the challenge and the end results were incredible! These young bakers collaborated beautifully and wowed us with their cupcakes. Different flavoured sponges and such artistic decorations. It was a hard job for Carol and her team as judges, but the result was that Orion won! Orion earned 30 points for their house and 10 points were awarded to the other houses as we were blown away by all!

Summer Fayre

So far the Summer Fair raised £1200. We will let you know the final figure in September. Thank you for all for your support, The PTA.

Goodbyes

We have said goodbye to Mr Lazarus and Mrs Clarke today as they leave MPA ready for new adventures. Mr Lazarus is going to have some time with his gorgeous children. Mrs Clarke is going to work for Lapwing and support older children in their education. We wish them well and thank them both for their hard work.

Return to School

Children return to school on Thursday 7th September. There will be no PE or Forest School in the first two days. Please ensure your child is wearing correct uniform for the start of term.

Key Text

Children in Years 1 to 6 will need a copy of the key text that has been sent to parents for the start of term. If your child is in receipt of pupil premium and needs a book please let the office know.

HLTA

We are delighted to have recruited a part time HLTA who will be working at MPA for two days a week next year. Her name is Mrs Channing. She is a trained teacher. She will cover absence but also support in Years 4, 5 and 6.

House Captain Elections

We did things differently this year and completed the elections this week. We wanted the current Year 6 to have a vote as they have been an exemplary year group of leaders. We have also decided that next year we want the House Captains and Vice House Captains to work more together.

Suffolk Wildlife Trust

Thankyou for your donation. We raised £96.20

Thank you

We would all like to thank you for your support this year. The families at MPA are incredible and we are so thankful. From Parent Council to PTA to record numbers being at fabulous finishes. We are small school but we have a big heart. Thanks for all that you do to make MPA the positive school that it is! We are MPA and we are proud!
