Menu Week 3

Moment of the Week:

Summer Reading Challenge

Suffolk libraries launched the reading challenge over the holidays. This was to read and review six books in six weeks. 14 of our children completed this task and we celebrated them in assembly. Great to talk to the children about the love of reading. Well done to all. We are MPA and we are proud!

Messages from Staff:

Celebration Assembly

Aliseyah	Small Blues	For having a positive attitude towards writing her name and not giving up.
Emilia	Holly Blues	For showing super resilience - coming into school every day with a smile and ready to learn. We are so proud of you.

First week at MPA

It's been a superb week, our children are settling really well. For some, there are a few tears in the morning but once in class, they are happy and enjoying the learning activities planned by the teaching teams. We experienced a flood but this was managed well by the school team. This was due to a drainage issue, not the roof. We showed the learning power of resilience and carried on. Great to see clubs re-start and the children participating in a range of fun activities.

New Staff

My name is Mrs Channing and I am really looking forward to working at MPA. I will be working as a HLTA which will be an interesting and varied role! In my spare time I love to swim, especially in the sea and to cycle, read, garden, play netball and do Pilates. I love all kinds of music and enjoy going to the theatre. I also really enjoy floristry. I look forward to meeting you.

Adonis Blues Stunning Start

Adonis Blues made Stone Age bread this week. They got their hands sticky until they kneaded it into a dough and were super excited to try their bread either at home or at the end of the school day.

Silver Studded Blues Stunning Start

Silver Studded Blues created African art using bright geometric patterns, tasted some different foods grown or eaten in Africa and tried African dance. They also enjoyed listening to African music whilst completing their activities. It was great fun!

EYFS Tapestry Parent Meeting

On Monday at 2.45pm, we will be hosting an EYFS parent meeting to discuss Tapestry. We will talk through how Tapestry works and answer any questions you may have regarding Tapestry. We look forward to seeing as many of you as possible.

Parent Council

Relationships are a core part of our great school. Feedback is a gift. Each year, I ask for one parent volunteer from each year group to meet me half termly to discuss key issues that are school related. We meet via teams on a Thursday afternoon. Your role is to represent the parents in a positive way. This is about moving forwards together. If you are interested then please see me or email the office. The first meeting is in October.

Clubs

I am sorry there have been some issues with clubs. I can only apologise. I have made mistakes by double booking the hall. Thank you for your cooperation and understanding when rectifying this issue. I hope from now, things will run smoothly.

Macmillan Coffee Morning

On Friday 29 September, Y5 and Y6 will be hosting the Macmillan Coffee Morning. This is to raise money for families that are affected by cancer. We are asking families to donate cakes with ingredients clearly labelled. Please bring these cakes to school on the day. Families will be invited to school at 10.00am to have a cuppa and cake with friends. We will also serve cakes to the children in their classes for 20p. If we have cakes left over, we will do a cake sale at the end of the day.
