

# FRIDAY FLYER

## 10 November 2023

w/c 13 November

### Moment of the Week:

On Tuesday, Holly Blues were transported back to the Victorian era for the day. We experienced a Victorian classroom, archaeology, played with Victorian toys and learned some disgusting facts! It was a fantastic day that brought our history topic to life, but I think we all agreed that we are glad we live in the modern day!

### Messages from Staff:

#### Times Tables

This is a focus in school enabling children to be successful when recalling multiplication facts. You may have heard your child chanting these at home. Mr Thorpe has led some great staff training. If you would be keen to attend a parent session, then please email the office. We would offer a Tuesday morning at 9.15am before the end of term.

#### Home Learning

Thank you for the home learning tasks that came into school last week. It's always lovely to see the variety of outcomes. The children were very proud sharing with friends and staff. Sadly, not all can be displayed in the classroom but please note they are all valued.

#### Silver Studded Blue Class

Miss Scrutton has been called for Jury service. This will start on Monday 13 November for two weeks. In her absence Mrs Newton will be teaching the class.

#### Anti Bullying Week

Next week is National Anti Bullying Week and the theme is "Make a Noise About Bullying!". On Monday children can wear odd socks with their school uniform. Each day there will be key questions that the children will be exploring together. Each class will make a poster to raise awareness of bullying and what to do.

#### Children In Need

On Friday 17 November we will be supporting this charity. Children can wear something spotty or their pyjamas and we ask that families to make a cash donation. School Council members will collect the donations at the gate. They are arranging competitions for the children to take part in. These will come home this week. For KS1/EYFS there is a colouring competition. For KS2, the children can design a t-shirt. Prizes for each year group will be awarded on Friday.

#### Lunch Boxes

Please do not put glittery sprinkles in lunch boxes. It could be a potential risk when eating.

#### Cut Your Carbon

Eco school have launched 'Cut Your Carbon'. Some children have chosen to bring home a 'cut your carbon' sheet with tasks to complete to be more eco-friendly. Those who complete this will receive a certificate. Please see the attached small changes poster from Eco Council.
