EYFS Phonics Workshop

Dear Parents

On Wednesday 15 November we are holding a phonics workshop for Reception parents.

This will be a session in the hall covering what phonics is, how we deliver it at Martlesham and what you can do at home to support your child. We will then invite the children to join us in the hall for a phonics session.

The workshop will start at 9.00am and run until 10.30am.

We hope to see parents participate in this workshop.

Kind regards

Miss Hudson
