

# FRIDAY FLYER

## 19 January 2024

w/c 22 January

### Moment of the Week:

#### Y6 Bikeability

Well done to the Y6 children who this week completed their cycling proficiency and cycled around the local area safely. This is an important skill to build as many will cycle when they move on to high school. The group leaders were very complimentary of the children and their positive attitudes and great sense of humour.

### Premier Sport

As you will be aware we now have Premier Sport supporting with wrap around care. There are two members of staff joining MPA this term. This is Miss Francis who will be running breakfast club and she delivers Netball. There is also Mr Bolton who will be delivering additional PE sessions this term. I am sure you will join me in welcoming them to our school.

### E Safety Champions

We have launched a new role for children in Key Stage 2. This is for an E Safety champion per class. Their role would be to support and guide the children in their class to keep safe on line. The new champions will meet with Mr Thorpe once a month. The children have applied for these roles this week. After initial training they will start their new roles very soon. The appointed children will be given an E Safety champion badge.

### Flutterbuys

We have not been able to run Flutterbuys as we have previous years. This is for a number of reasons. We have decided that this year we will run Flutterbakes. This will be a monthly cake sale led by the children in Year 6. All money raised will go towards their end of year treat. The first cake sale will be Thursday 15 February. If you would like to donate a cake then please bring to school on the day. Many thanks in advance for your support.

### Small Blues Stunning Start

Small Blues had their stunning start this week! We came in on Tuesday and Tom the Tiger had gone missing!!! The police wrote us a letter and asked for our help to find him! We made police badges and became MPA Detectives! We followed the clues and found out Burglar Bill had stolen Tom - we found him in Forest School, Burglar Bill left cakes to say sorry!

### Parking

Can we ask that parents consider where they park at drop off and collection. If you park along Black Tiles Lane near the school this can cause issues as you block traffic. There is a car park behind the white building to the left of the school. Please be mindful of how your parking impacts on others.

### Parent Council

We had our first Parent Council meeting of the year this week. The feedback was very positive and so much to celebrate. Parents really valued all the events that were planned. Parents are noticing the impact of Mr Thorpes work in maths, especially in relation to times tables.
