Moment of the Week:

Here is our Eco Committee who are environment heroes. This week they completed their community litter pick. They do one each half term and ensure our local area is litter free. This time they found quite a lot of plastic, cigarette butts and parts of tin cans. They are very passionate about protecting our environment. We are very proud of them all as they work to maintain our Green Flag Status.

Adonis Blues will receive a class reward for having the highest attendance last week. This was not a good week for attendance.

Premier Sport

As you will be aware we currently have breakfast and after school club provision with Premier Sport. In order to have this facility long term we need to have increased numbers. We know how much wraparound care is needed for working parents. It is a friendly on-site provision. Can we ask families to support and use this service so we can meet the target of 12 children per session.

Key Texts

It has been raised by parents via parent council and also by governors about key texts and the cost of these. We are going to do some research to see if there is a way we can source class sets. This would aid the cost of living crisis but also make this more sustainable. We will see what we can do and will get back to you.

Holly Blues Marvellous Middle

The children have been weighing, mixing, creating and baking their own shell biscuits today. They had a great time and hopefully their biscuits will get home so they can share them with their families.

Grandparent Lunch

Thanks to our wonderful catering team who created a superb roast for children and their grand-parents. We got such lovely feedback. This will be a termly feature. Please see photo on Twitter.

Home Learning

This is due for all children in Y1 - Y6 on Wednesday 28 February. The letter was sent at the start of term outlining the task for your child's class. Please ensure this task is completed by the child.

Staffing

Today we said goodbye to Mrs Wildon and thanked her for time at MPA. We welcome Miss Aribas to MPA. She is relocating to the Ipswich area from Birmingham. She is an experienced teacher and is really looking forward to joining MPA. We have a vacancy for a one to one LSA and a site manager if you know anyone who would be keen to join our team, ask them to make contact.

Good to be Green

After half term we are going to introduce a reward card that will be added to the GTBG chart in classrooms. This is to further support the children who display superb behaviour in and around school.

Attendance

We have seen a real improvement in attendance figures so far this academic year. We have really cut the number of children who are persistently absent. We have the lowest number of PA in the whole of REAch2. Thank you for knowing the importance of regular school attendance. We are MPA and we are proud!
